Asset: shot 7 from the 27 Oct shoot (drink beside the downstairs work). Confirm the file was delivered and that the artist allows the work to be photographed for social. **Anchor:** 5 Differentiator · **Block:** 4 meeting the guide · journey M13. **QA:** HOLD. Closes when: the Дихание Series drink is confirmed on the menu (the caption does not name it, by design); the asset is seen; the artist's permission is on file. Copy passes the filter test (no lecture), hard lines 1 and 3 (date stated once, no pressure), guardrails 8 (alcohol shown, no youth/driving/health link).

Before anything posts

1. Approver signs each row in `qa-log.csv` (Menelaos, interim).

2. One Instagram account chosen: @one_gallery_sofia or @the_cafe_one_gallery.
3. Bartender's staff release in `consents/`; artist's permission for photographing the works.
4. The Дихание Series drink: name, ingredients, on the menu — from the bar.
5. Street number 1 or 1A (site vs Google).

All five are rows in `open-facts.md`.
